Working Livery Trial: 2 weeks £240

To qualify for working livery all ponies that are new to the Elms will need to undergo a two-week trial period to ensure they are safe for a suitable range of pupils to ride. They will need to be of a suitable age, height and temperament to be used by a wide enough range of children at The Elms to qualify for working livery. The trial period will consist of the same inclusions and exclusions as working livery with a review by the Equestrian Manager and the owner at the end of the two weeks. If the pony is suitable it will progress onto working livery.

All ponies are expected to go home for exeats and holidays. However, ponies may be able to stay at school for exeats if need be, at a cost of **£50 per exeat**.

Ponies may only stay at school for holidays in exceptional circumstances which will need to be discussed with the Equestrian Manager prior to the holiday period.
